

NAUTIC MOTOR OIL 25W40 4-stroke Outboard

Bardahl Nautic 25W40 4-stroke Outboard is a four-stroke semi-synthetic engine oil for outboard engines, developed from high-quality base oils. Anti-rust and anti-corrosion properties protect the engine components from damage caused by moisture through a unique anti-wear package based on molybdenum/zinc technology.

The addition of a series of special additives creates the following properties:

- ✓ lubrication of all engine parts
- ✓ Excellent cold start properties
- ✓ a particularly strong detergent power, which keeps the engine cleaner
- ✓ a very strong anti-wear, anti-corrosion, anti-oxidation and ability
- ✓ Excellent shear stability

Application

Bardahl Nautic 25W40 4-stroke Outboard is very suitable for use in gasoline inboard and outboard motors that are heavily loaded and rev a lot. This oil is not suitable for use in passenger cars, as four-stroke outboard motors have different requirements for the engine oil. This outboard engine oil meets the latest requirements for inboard and outboard motors, set by the NMMA.

Specifications

API - SJ | API - SL | NMMA - FC-W

Analysis data

Test			Results
SAE - Class	Method	Unit	MOTOR OIL 25W40 4-stroke Outboard
Density at 15 °C	ASTM D4052	g/ml	0,892
Viscosity 40 °C	ASTM D445	mm ² /s	151,90
Viscosity 100 °C	ASTM D445	mm ² /s	15,50
Viscosity index	ASTM D2270		104
Flash point COC	ASTM D92	°C	244
Flow point		°C	-21
Total Base Number	ASTM D2896	mg KOH/g	7,7
