

Showroom Shine

Bardahl Showroom Shine, equipped with a handy spray, provides beautiful, shiny surfaces in a simple and quick way. Spending hours scrubbing is no longer an option. After application, a long-lasting protective high gloss is created. This layer also provides protection against all kinds of dirt, bird droppings, resin, etc. However, it is still advisable to quickly remove bird droppings from your paint.

Characteristics

- **Quick Shine:** Apply and wipe off for an instant shine that enhances the aesthetics of your vehicle or furniture.
- **Long Lasting Protection:** Provides protection against everyday dirt, bird droppings, and resin. (It is advisable to remove bird droppings as soon as possible to prevent damage to the paint.)
- **Versatile Application:** Ideal for use on car paints, chrome, copper, artificial leather and other plastics. Suitable for passenger cars, trucks, motorcycles, boats, caravans, garden furniture and more.

Instructions for use

Shake the bottle well before use. Spray evenly on a clean and dry surface. Spread the product evenly over the surface until the desired shine is achieved. For best results, use a microfiber cloth (washable).

Note:

Keep the can and spray away from very hot parts and/or open flames. For personal well-being, best used in well-ventilated open spaces or outdoors.

active ingredient	Carnauba wax
